### KILLICKINICK.

The labor of the day is o'er,
The lamp is lit, the curtains drawn,
My wife and I sit by the fire—
My fifie and I—two hearts in one,
Without, the wind is piping loud,
The snow is falling thick;
Within, I'm piping cloud on cloud
Of soothing mild Killickinick.

But a-wed amid the fragrant haze,
I listen to her loving voice,
Reciting o'er the treasured lays
Of him, the poet of our choice.
What care we for the storm without,
Or prudent clock's remindful tick?
I laugh, or cry, or sing, or shout,
And puff my mild Killickinick.

An empty pipe lies here—a friend's—
A pipe that has suggestive grown
Of all the best of England's minds,
From Chaucer downward to his own.
No puff is this, nor fancy flight,
Nor sordid, sorry, wordy trick—
Ah, would that he were here to-night
To puff thy cl aims, Killickinick!

Dear wifey, when life's pipe is broke,
And clay and ashes worthless lie,
Our spirits, like the curling smoke,
Will mount as loving to the sky.
'Tis thus we burn the hours away,
Till quenched in Time's exhausted wick;
The ashes of the year turn gray,
And gone is L.'s Killickinick.

THE BLACK DEATH IN IRELAND.—Further particulars have been received of the new and terribly fatal disease which exists in Ireland, and as yet chiefly in Dublin. The general features of the preliminary stage are bilious vomiting and sometimes purging, and usually headache and unparalleled intensity, with incoherency. Then comes the purple eruption, accompanied, in most cases, by great debility, and followed by collapse and death. The duration of the illness is of a three-fold variety. In the first, where the period is reckoned by hours, one case was fatal in four hours from the occurrence of the first symptoms; but the average is eighteen hours. The second veriety includes from three to six days from the first indications of indisposition to the fatal issue. The third variety, in which alone any recoveries have taken place, embrace a period extending to many days, and even weeks. It is hardly necessary to say that in Dublin great interest is felt upon the subject among the members of the medical profession, and considerable anxiety has bee awakened among the general public. It is too clear, with the steady and rapid increase iff the Dublin death-rate from this mysterious complpint, that its attacks deserve the closest and most watchful attention, not only from the medical profession, which is thoroughly on the alert, but also, from the public and the Government.

INDIAN STRATEGY.—The *Sage Brush* says that on the 5th of July, three soldiers from Camp McGarry, Summit Lake, Nevada, on their way to Susanville with the post mail, were victimized out of their horses in the following manner: They took the trail from the point where it turns into Granite Creek Meadows, for the purpose of proceeding thence direct to Buffalo Station, and had reached the mountains above the latter place, when finding the descent too rough and rocky, two soldiers gave their horses in charge of the third and went down the mountain to look out a road. The Pintes passing that way and in search of something to devour, took advantage of the position, called out lustily to the soldier in charge of the horses, in imitation of his comrades and without making themselves visible, succeeded in drawing him away from his animals. By a quick movement *en echelon*, Mr. Indian effected a change of proprietorship, and rode exultingly away, leaving the troops to find their way into Buffalo as best they could, which place they reached about midnight.

PRINCE SALM SALM.—Among the prisoners in the hands of the victorious Mexicans, is the Prince Salm Salm, who was a volunteer in the late war for the Union. At the close of the war, he applied for a commission in the regular army, and received very strong recommendations for the colonelcy of one of the new regiments. He is a genuine prince of a very old Austrian family, older, we believe, than the Hapsburgs, a younger son, and of a rather wild and adventurous spirit, as may be inferred from his being where he is. His wife, Princess, we suppose we should say, is a woman of remarkable beauty, and will get him out of his present unpleasant difficulty, if anybody can. It is said, in some of the papers, that she is a relative of President Johnson; but this is probably a mistake, as we believe the Prince married her in Cuba. He had the reputation of a gallant soldier and a good officer in our army

GORHAM AMONG THE PEOPLE.—The flattering receptions which the people have extended to Mr. Gorham wherever he has been, attest the strength of their devotion to his cause. Nothing has done him so much good as the continued abuse of a few papers of wide circulation.—*Stockton In.*

WHEN A newspaper is got well under way, folly will not kill it. But with public men it is different. They cannot sustain themselves through a long political life, and retain the confidence of the people without brains.—*Cincinnati Gazette.*

To which the Marysville *Appeal* says: "The Sacramento *Union* is rich and indedendent, and is now making the experiment. But if it cannot be killed it can be crippled, and self protection demands that every Union man should act systematically to this end. The loss of two or three thousand subscribers might waken the understanding of its conductors. It is evidently doing its best to elect Haight. If it succeeds in this purpose it will be more arrogant and bull-headed than ever. The best political physicians recommend blood-letting in all such cases."

BIDWELL.—E. W. Haskell, the leading bolter of Yuba county, went recently to Chico to see Bidwell, and urge him to accept the nomination of the July Convention. He came back with a flea in his ear, instead of the General's acceptance in his pocket. —*S. F. Times.*

### THE UNION PLATFORM.

The Union Party of the State of California, in Convention assembled, hereby present to the people of this State their platform and declaration of party principles:

*Resolved*, That in the present, as in the past, we are irreconcilably opposed to treason and to traitors, whether the same shall attempt to subvert our Union and control our Government by fraud and treachery from within, or force from without; and that upon the loyalty of the Nation, tried and proven, we rely to re-establish firmly and forever the bonds of our National Union.

*Resolved*, that in reconstructing the nation its foundations should be justice and its architects loyalty, and we are willing that those so active to destroy, should be the chosen and preferred builders to erect it, and until it shall appear that in the States lately in rebellion loyal Committees exist capable and ready to administer justice and enforce law in accordance with the principles of a government of freemen and equals, it is our wish that the Government be administered and the law enforced by the loyal agents of the Federal Government.

*Resolved*, That in the reconstruction plan of the late Congress we recognize a policy as wise as it is magnanimous, and when the respective States late in rebellion shall bring themselves within its provisions, we will welcome them as sisters and receive them as equals in a reconstruction Union.

*Resolved*, That we deem the passage by the Legislature of a law establishing eight hours labor as a legal day's work, eminently just and proper.

*Resolved*, That the importation of Chinese or any other people of the Mongolian race into the Pacific States or Territories, is in every respect injurious and degrading to American labor, by forcing it into unjust and ruinous competition, and as evil that should be restricted by legislation and abated by such legal and constitutional means as are in our power.

*Resolved*, That the future primary elections of the Union party in this State should be held under the provisions of the primary election law, and that such test should be prescribed and enforced as shall exclude all persons not members of the Union party.

*Resolved*, That we fully approve the amendment to the Constitution of the State, presented by the Legislature of 1866, and providing that the Legislature shall have no power to make an appropriation of money for any purpose whatever, for a period longer than two years; that the same should be accepted by the Legislature, adopted by the people and become part of the Constitution of the State.

### RESOLUTIONS

Adopted by the Union County Convention which met at Auburn, Placer county, on the 10th and 11th June, 1867:

*Resolved*, That it is the duty of the loyal men in the United States, through their representatives in Congress, to take under their control the government of the late rebel States, until such time as a sufficient number of the friends of the Union can be found therein to organize governments; and that then the future control of said States should be left in the hands of their loyal citizens to the exclusion of the leaders of the late rebellion and of those who voluntarily gave them aid in the field.

*Resolved*, That we approve of the late Act of Congress for the reconstruction of the rebel States, and earnestly hope that at the coming session the large landed estates of the gentry who gave their personal influence and donated their means to destroy the Government, will be confiscated and divided up into small tracts and donated as homesteads to the soldiers who fought our battles, saved the Union and preserved our freedom.

*Resolved*, That the vital issue between the Union and Democratic parties is that of loyalty to the constitutional Government of the United States as opposed to disloyalty thereto; that the loyalty of the Union party has been abundantly manifested in the constant support of the Government in all its branches, while the disloyalty of the present Democratic party is as clearly manifest in the aid and comfort which during the late war it continually afforded to the public enemy, and in the sympathy which it still extends in favor of every movement tending to paralyze the efforts of Congress toward the healthy reconstruction of the Federal Union.

*Resolved*, That the Union party of the United States is the only party in favor of the Union, the Constitution and the laws, and that the pretensions set forth by the Democratic party in this regard are false and hollow, unfounded in fact, and disproved by history.

*Resolved*, That the mission of the Union party is not and can never be accomplished until the opposing party thereto be entirely purged of its disloyal elements and eschewing its present heresies, shall in good faith determine to accept the great results of the late war, and thenceforth to take issue only upon questions upon which adverse opinions may be holden or put in practice without jeopardizing the continuance of republican government upon this continent. Until then it is our imperative duty to stand by our colors in the full knowledge that with us is union and liberty—against us only disunion and disgrace.

*Resolved*, That in the present condition of our State finances, we are opposed to any donation in money or bonds or any loan of the credit of the State to railroads or other corporations, and that our candidates for Senator and Representatives if elected, are hereby instructed to oppose by their votes and personal influence the enactment of any laws having any such object in view.

P. W. THOMAS,
Chairman Committee on Resolutions.

FAMILY ROW.—The Flag sails into the Central Committee because it does not get its share of the political printing which unjust discrimination against itself it appears to charge to George Gorham's influence. It further discloses the fact that McCarthy was not on the Gorham slate for State Printer, Owen of the San Jose Mercury being Gorham's man. Still more unfortunate and indiscreet is the Plag's revelation of the fact that McCarthy was offered a sum equivalent to the profits of the office, on condition that he would consent to resign his place on the ticket. Family secrets of this delicate character should be kept very close. To the uninitiated public they have a rather scandalous look.—[Dramatic Chronicle.

We do not consider that because the members of a party are willing to pay a man a bonus in order that he withdraw—especially when he is considered the most unpopular and unscrupulous man in the State—presents a "scandalous look." There are but few persons in the State but are aware of the fact that the Flag has been the cause of creating more ill-feeling in the minds of the members of the Union party, of bringing greater opprobium upon the party, and raising more general dissatisfaction than any one paper in the State. It is evident to us, even now, that the Flag is trying to blackmail the State Central Committee into allowing it the greater part of the party patronage. What right has McCarthy, or any other Mac to dictate what Union paper shall do the work of the Committee? Either the Alta or Times exerts more influence with the respectable, thinking portion of the people of the State in one issue than the Flag can during the whole campaign. When the riff-raffs of San Francisco are to be propitiated, the Flag would probably be the best channel through which to address them.

GORHAM IN PLACER.—The grand Union rally in Auburn on Wednesday evening, July 31st, was acknowledged by everybody to be the largest gathering ever seen in Placer county. Two thousand people at least, gathered around the speakers stand. Gorham was received with great enthusiasm, and spoke for an hour and a quarter to a deeply attentive and appreciative audience, and there was no lack of applause and cheers. He totally refuted the slanders of the Bulletin and Union, defined his position plainly on State matters, and gave the clearest and fullest exposition of the national situation ever uttered by any man on this coast. On every point he gave entire satisfaction to all Union men. Stewart and Pixley followed and kept the crowd laughing and cheering till after eleven o'clock. The attendance from this place, Gold Run, and Colfax was large, over 600 were on the train from the east. From Sacramento and along the road there came about 900. On the whole, as a demonstration of the condition of the feeling of the party in this county, the affair was a great success. As the time approaches, the old patriotic fires burn and no intelligent, candid man now doubts that Placer will give a handsome majority for the entire Union ticket, nor will Gorham be much behind the foremost.

SEVERE RESOLUTION.—The organization of the Grand Army of the Republic in Ohio has adopted some severe resolutions respecting the release of Jeff. Davis and the agency of Horace Greeley therein.

A MAN by the name of Benjamin shot a young man by the name of David Croonan, at San Juan, Nevada county, who died from the effects of his wounds almost instantly.

## IN A BAD WAY.

The Sacramento Union has heard a rumor that Bidwell has, or will, soon write a letter exhorting his friends to support the whole Union State ticket. It thinks it may be true, and proceeds to show how such a high-minded and unsophisticated youth as J. B. may be trapped by such villains as the Union men of this State into betraying himself and the bolter cause into their hands. It thinks it more than likely that he has so written. Then it utters these terrible words: "We tell these men that their trick shall not win, if there be virtue in denunciation and intelligence in the masses of the people." Oh virtuous Anthony! Oh sober Seabough, oh wonderful Weeks, you don't say so? But suppose denunciations from such pot valiant braves should happen to have lost all its virtue. And suppose the people had become full as wise and twice as honest as the malignant, maudlin and imbecile crew that now man and manage the Union. And in spite of all their frantic raving should elect Gorham and the whole State ticket; what then will happen? Where will the Union land after that? And now let that nest of vipers and all their dupes understand that just because the people have found them out, and do not heed their denunciations, they have deliberately decided to elect the Union ticket, and let all political babes and bilks go to the dogs—or Democracy. The decent people of this State have tolerated the Union in spite of its faults because it has been a good newspaper and has said many noble words for the right during the war of arms and opinions. But the time has come when it neither charms or pleases, nor will it much longer be taken. Very many will be sorry to part with it after so long a time of daily consultation of its columns, but let it once be seen that it prefers Haight to Gorham in the present contest and half its subscribers may drop it. They will prefer to deny themselves the news, or seek it from other channels. We hear from many parts of the State that subscribers are falling away daily. But most intelligent men are willing to bear long with weakness, and are loth to resort to the "stop my paper" method of vindicating their opinions. One thing is certain, the Union has lost its grip on the Union men of this State, and now that it is sold out to Haight its power for evil is dwindling to a very fine point.

## LETTER FROM PROSPECT HILL.

PROSPECT HILL, July 30, 1867.

FRIEND BOUST:—Having an idle hour at my disposal I thought I would drop you a line. Nothing worthy of note has transpired around this place or I should have informed you of it. Mining is very "flat" at present. The Lebanon mill is without water and consequently a number of hands are out of employment. The Company however is pushing the main tunnel ahead and getting ready for the next season. The last clean-up of about eight days run amounted to one hundred and one ounces. An attachment was served on the Oriental mill, and the mill is idle at present, though I understand will commence operations again in the latter part of this week. I am informed that the yield o this company is very limited. The Morning Star is working and report says that a pay streak has been struck which far exceeds the previous dirt worked or extracted. Wm. Weister rebought the whole of the Jamison claim for the sum of $15,000 cash. Weister took out of one crevice yesterday $800. With the exception of an occasional one-horse dance there is no amusement whatever. Fruit is abundant. Provisions plenty but the merchants charge outrageous prices. People trading here are compelled to pay from 10 to 15 and 20 per cent. above Colfax and Dutch Flat prices. In the political line everything is in statue quo. The general opinion prevails that Stackhouse (District Collector,) will be beaten by Dunnam, and Vanvactor (Assessor,) re-elected. A good many candidates from both parties are bushwhacking this section. How the thing is going to turn out your humble servant does not comprehend. Yours truly,

IKE.

UNINTENTIONAL OMISSION.—In the hurry of setting up the names on our county ticket, the name of the nominee for District Attorney, E. L. Craig, Esq., was accidentally omitted. We regret the occurrence as much as any one can, and seek to remedy the defect by saying that we know of no one to whom we would sooner trust the affairs of our county than the worthy and able incumbent, and if we may judge of his general popularity by the almost universal expression of our citizens, we think there will be no trouble in his re-election.

HE COULDN'T COME.—We announced in our last the coming of Mr. Gorham and others, to speak at this place on Thursday evening. We did this upon the word of two members of the Union State Central Committee. We have since learned that it was done without consulting Mr. Gorham, who had in the meantime promised to go to Grass Valley. It was one of those mistakes that will sometimes occur in the best regulated parties.

DIVINE SERVICE.—The Rev. C. H. Northup will preach at the Methodist church in this place to-morrow morning and evening at the usual hours.

IF you wish the very best CABINET PHOTOGRAPHS, you must call on BRADLEY & RULOFSON, 429 Montgomery street, San Francisco.

Perry Davis' Vegetable Pain Killer, after a thorough trial, by innumerable living witnesses, has proved itself THE MEDICINE OF THE AGE. Although there has been many medicinal preparations brought before the public since the first introduction of Perry Davis' Vegetable Pain Killer, and large amounts expended in their introduction, the Pain Killer has continued to steadily advance in the estimation of the world as the best Family Medicine ever introduced. It is an internal and external remedy. One positive proof of its emcacy is, that the sales have constantly increased and wholly upon its own merits. The effect of the Pain Killer upon the patient, when taken internally in cases of Cold, Cough, Bowel Complaints, Cholera, Dysentery, and other affections of the system, has been truly wonderful, and has won for it a name among medical preparations that can never be forgotten. Its success in removing pain, as an external remedy, in cases of Burns, Bruises, Sores, Sprains, Cuts, Sting of Insects, and other causes of suffering, has secured for it such a host of testimony, as an almost infallible remedy, that it will be handed down to posterity as one of the greatest medical discoveries of the nineteenth century.

WE take pleasure in recommending the first class hotel in San Francisco, known as the Russ House, and kept by those princes of Landlords, Seymour & Pearson. The house is situated on Montgomery street, convenient to all the business portions of the town. It is one of the best hotels on the Pacific coast. Mr. Seymour is an old hand at catering to the public and the immense crowds that daily arrive at his house testifies as to his success. The charges at this house are moderate and the accommodations all that a man, or woman either, ought to ask or expect. Try the Russ House the next time you go to San Francisco.

---

THE LAST CHANCE.—We are requested by the Board of Registration at this place to call the attention of voters to the fact that to-day is the last upon which voters can get their names upon the poll list without showing reason for not having done so. The poll lists are all sent in to the Clerk of the County by the 5th, and then published. We hope no Union man will neglect the opportunity of having his name properly registered, for it is only by doing so that he can exercise the great privilege of an American freeman. The Board meets at the Express office of Wells, Fargo & Co., and will continue in session until nine o'clock P. M. Let all attend to it.

---

BOTHERED.—The Sacramento Union is having a great deal of trouble with the country papers. Not being able to debauch the public mind, it flies into a passion with the unsalable country editors and talks very contemptibly. It is said that the Union is suffering mortal agonies by the loss of subscribers in every quarter of the State. The paper is not worth so much by one-half as it was three months ago.—Flag.

---

A GENEROUS WIFE.—The third wife of a man in Plainfield, has had marble gravestones erected over the graves of her husband's two former partners. The stones cost $120, and she earned the money by working in the mill, never mentioning her plans to her husband.

---

STAGE TO NEVADA.—Though the wagon road between Little York and You Bet is not quite completed, teams can pass over it. We hear that Colby's stage from Nevada will come up on Monday next.

---

MOUNT SHASTA.—Professor Whitney decides that this glorious landmark is 2,000 feet higher than Mount Hood.

**Liver Complaint and Dyspepsia.**

After a long research, we are able to present the most pleasant, the most remarkable cure for those horrid nightmare diseases the world has ever produced. Within one year over six hundred and forty thousand persons have taken the Plantation Bitters, and not an instance of complaint has come to our knowledge!

It is a most effectual tonic and agreeable stimulant, suited to all conditions of life.

The report that it relies upon mineral substances for its active properties are wholly false.

The original quality and high standing of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village, parish and hamlet among civilized nations. Base imitators try to come as near our name and style as they can, and because a poor article cannot be sold as low as a good one, they find some support from parties who do not care what they sell. Be on your guard. See our private stamp over the cork.

It is a most delightful Hair Dressing.

It prevents the hair turning gray and falling off.
It restores the hair upon prematurely bald heads.
This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car-load and yet its almost incredible demand is daily increasing, and there is hardly a country store that does not keep it, or a family that does not use it.

Have you a hurt child or a lame horse? Use the Mexican Mustang Liniment.

For cuts, sprains, burns, swellings and caked breasts, the Mexican Mustang Liniment is a certain cure.

For rheumatism, neuralgia, stiff joints, stings and bites, there is nothing like the Mexican Mustang Liniment.

For spavined horses, the poll evil, ringbone and sweeney, the Mexican Mustang Liniment never fails

For wind galls, scratches, big-head and splint, the Mexican Mustang Liniment is worth its weight in gold.

Cuts, bruises, sprains and swellings are so common and certain to occur in every family, that a bottle of this Liniment is the best investment that can be made.

It is more certain than the doctor—it saves time in sending for the doctor—it is cheaper than the doctor, and should never be dispensed with.

"In lifting the kettle from the fire, it tipped and scalded me terribly. * * The Mustang Liniment extracted the pain and caused the sore to heal rapidly, and left very little scar.
CHAS. FOSTER. 420 Broad str., Phil.

**THIS CELEBRATED INSTITUTE**

has enjoyed on this coast an uninterrupted success of fourteen years, and has become one of the renowned Hospitals of the age. What the celebrated Lock Hospital is to London, and the no less renowned establishment of Ricord is to Paris, this Institute has become to the Pacific coast. The thousands annually received and cured place it in point of number of patients among the very first of the world, and the success of its treatment ranks it second to none.

PRIVATE DISEASES IN MALES and IRREGULARITIES IN FEMALES are the great destroyers of health. They insidiously attack the system and gradually undermine and destroy it; they drive the bloom from the cheek, the lustre from the eye, the strength from the frame; they give to the world puny and diseased offspring, and poison, through successive generations the race of man. The marks can be seen in Scrofula, Consumption, Cripples, the Idiotic, the Paralytic, the Insane, etc.

There is no more terrible scourge to the human race than those diseases arising from the contamination of Venereal Poison. The mildest forms, by retreating to the blood, hold over the afflicted one, the destruction that is liable at any moment to fall and blight—to utterly destroy—all earthly hopes.

MERCURY, recognized as the most fatal medical enemy to man, combining with the Venereal, combines its dangers. Those who have been treated with that pernicious mineral poison are not cured; the disease has only assumed a new form.

**Do not be satisfied with partial cures**

that leave the poison to crawl through the system, eating its way into the tissues and organs beneath the apparently smooth surface, to burst out in the future with a virulence that will baffle the effects of medicine. WHEN PERFECT CURES can be obtained by consulting a physician whom long practice and thorough investigation into the causes of DISEASES of the URINARY ORGANS enables to determine at once the nature of the disease.

**Seminal Weakness or Spermatorrhœa**

The young man who experiences that growing weakness in his muscular and menta organization should stop to consider whence it arises. He will find in the weakness of the back, trembling of the limbs, disordered digestion unaccountable failing of the powers of the mind, distaste for society, dread of impending trouble, forebodings of evil, sleeplessness, troubled and lascivious dreams, accompanied by growing deafness, loss of muscular power, and numerous other symptoms of disorganization, the positive traces of that most terrible and destructive of all diseases Seminal Weakness—wasting away his powers, destroying his hope of life and manhood, and dragging him along the broken path of his existence towards a premature and loathsome grave. To him who finds his life dribbling out in the discharge of the vital principle of existence in nocturnal and diurnal omissions, the mere cessation of its appearance brings no assurance of relief.

Marriage, that holy office, the safeguard and hope of manhood, brings to such an one no hope of cure, but adds to his misery in the knowledge that he one, who looks to him for so much of her happiness, is a victim to his evil, and an innocent companion of his punishment. He adds to his misery and disorder until hope leaves him. There is no rescue except in proper and skilful treatment. Consult then, at once, a physician whom long practice and careful research has made thoroughly conversant with every phase of the disease. Those who have become the victims of solitary vices, that dreadful, fascinating and destructive habit, which fills thousands of our rooms with paralytics and consumptives, and hundreds of untimely graves with its misguided victims, should consult, without a moment's delay, one who will sympathize with their sufferings. To such the Doctor would especially address himself, giving to each and all assurance of a PERFECT and PERMANENT CURE, without hindrance to business, change of diet, or fear of exposure.

Do not forget the address. See below.

**Important to Females.**

When a female is in trouble or afflicted with disease and requires medical or surgical assistance, the enquiry should be, Where is there a physician who is fully competent to administer relief, and whose respectable standing in society recommends him to the confidence of the community? The Doctor understanding how imperatively necessary these requirements are, feels called upon to interpose, and beg the attention of the afflicted to the fact that he has been a Professor of Obstetrics and Female Diseases for twenty years, and is fully qualified to administer in all cases, both medically and surgically, not in a superficial manner, but in as thorough a manner as years of study and practice—both in hospitals and private families—can make, to save them from the hands of the unqualified, unscrupulous and designing. Therefore families can rely upon him as upon a father. All in affliction can find in him one who will feel and sympathize with and befriend them in trouble—one in whose secrecy the utmost confidence can be placed. Consultation by letter or otherwise, FREE. See address below.

THE CELEBRATED FEMALE REMEDIES, compounded from the private prescription of Dr. Young, have now obtained a most extended popularity, and are correctly viewed to be the safest and surest remedies for the complaints for which they are applied. The constantly accruing testimonials of their efficacy declare them to be pre-eminently superior in their action. No lady should be without these Renovating Agents. None genuine unless procured at this office.

MEDICAL.

## PRIVATE MEDICAL AID.

QUICK CURES AND MODERATE CHARGES.

**DR. W. K. DOHERTY'S**
**Private Medical and Surgical Institute**

Sacramento Street, below Montgomery, opposite the Pacific Mail Steamship Company's Office. Private entrance on Leidesdorff street, San Francisco.

*Established expressly to afford the afflicted sound and scientific medical aid in the treatment and cure of all Private and Chronic Diseases, cases of Secrecy and all Sexual Disorders.*

**TO THE AFFLICTED.**

DR. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all private diseases, viz: Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self-abuse, Gonorrhœa, Gleet, Strictures, Nocturnal and Diurnal emissions, Sexual Disability, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc., and he hopes that his long experience and successful practice will continue to ensure him a share of public patronage. By the practice of many years in Europe and the United States, he is enabled to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, and has references from men of known respectability and high standing in society. All parties consulting him by letter or otherwise, will receive the best and gentlest treatment, and implicit secrecy.

DR. DOHERTY would call attention to the following certificates from two of his patients, who, having fully recovered their health, desire to make known their remedial agent. It will be seen their statements are fully authenticated by a Notary Public.

The welfare of society imperiously demand their publicity and they are given more to warn the unwary than to sound the praise of a Physician, of whom hundreds of like cases can be cited during a practice of more than fifteen years.

DR. DOHERTY—Dear Sir: I feel my health so fully restored, that in common gratitude, I believe I should make you some written acknowledgement for your valuable services—particularly as your fee was small, for the work performed.

I arrived in this city from the East about one year ago, and was then suffering from an old case of Gleet, complicated with Stricture. Being a stranger in this city, and believing those Doctors who gave such positive assurances of success were necessarily the best, (some of whom have a large number of titles,) I placed myself in their charge and continued under their treatment until I had lost nearly all hope and a considerable sum of money.

I wish to say now that you are the sixth Doctor I have employed, and the only one that has ever done me any service. My Gleet is wholly cured, the Stricture is all removed, and my general health is better than it has been for years.

In conclusion, I would say to the many unfortunates who require medical advice, if you have any doubt as to whom you may employ, ask Dr. Doherty for my address and call and see me. (I keep store in this city.) My experience may save you many dollars.

I would also add that in the early stage of my disease I used a large amount of the preparations advertised as an infallible cure for Gonorrhœ, Gleet, etc., but never derived any benefit from them.

I am, Doctor, very truly yours,

L—— H——.

San Francisco, June 16, 1864.

subscribed and sworn to before me, this 21st day of June, A. D. 1864.

[L. S.] A. S. GOULD, Notary Public.

Seminal Weakness—A Sworn-to Certificate of a most Remarkable Cure of Spermatorrhœa.

A desire to benefit humanity, and a feeling of gratitude to Dr. W. K. Doherty, alone induces me to make this statement. For many years I have been afflicted with that fearful disease known as "Spermatorrhœa," or Seminal Weakness, the result of self-abuse, but till 1855 experienced but little trouble or inconvenience. In that year however, I had Seminal Weakness to an alarming extent, which was soon followed by the most alarming symptoms as weakness of the back and limbs, pain in the head, dimness of vision, nervousness and general debility. My mind, too, was affected to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unfitted for any of the duties of life. From 1855 to the summer of 1863, I employed the very best medical talent I could find, and spent several hundred dollars, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but seeing Dr. Doherty's advertisement, I thought I would call and see him, as he charged nothing for consultation. I had an interview with Dr. Doherty at his office, in Sacramento street, and his fee for treatment was so reasonable, I determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last I placed myself under his care; in one week I found myself very much improved; and, now, after five weeks' treatment, I feel myself thoroughly cured of all my troubles and in the enjoyment of the best health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself JAMES JOHNSTON.

Subscribed and sworn to before me, this 15th day of January, A. D. 1864.

[L. S.] A. G. RANDALL, Notary Public.

**To Females.**

When a female is in trouble, or afflicted with diseases as weakness of the back and limbs, pain in the head, dimness of sight, loss of muscular power, palpitation of the heart, irritability, nervousness, extreme urinary difficulties, derangement of digestive functions, general debility, vaginitis, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, they should go or write once to the celebrated female doctor, W. K. Doherty, at his Medical Institute, and consult him about their troubles and disease. The Doctor is effecting more cures than any other physician in the State of California. Let no false delicacy prevent you, but apply immediately and save yourself from painful sufferings and premature death. All Married Ladies whose delicate health or other circumstances prevent an increase in their families should write or call at Dr. W. K. Doherty's Medical Institute, and they will receive every possible relief and help. The Doctor's offices are so arranged that he can be consulted without fear of observation

**To Correspondents.**

Patients residing in any part of the State, however distant, who may desire the opinion and advice of Dr. Doherty on their respective cases, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred. Dr. Doherty takes this opportunity of observing, that all letters are only opened and replied to by himself, and the latter as promptly as possible.

If the case be fully and candidly described, personal communication will be superseded, as instructions for diet, regimen, and the general treatment of the case (including the remedies), will be forwarded without delay, and in such a manner as to convey no purport of the letter or parcel so transmitted. ☞ Consultation at the office FREE. HOPE FOR THE AFFLICTED.—In another part of this paper will be found the advertisement of the celebrated Institute established by Dr. J. C. YOUNG, in 1850. In this age of deceit and charlatanism, it is a boon to the suffering to point out to them where they are sure of obtaining the wished for relief and cure. Under the care of the skillful Doctor the sick and troubled can divest themselves of their burdens of pain; lay aside their cross, and secure health and happiness. If you are sick or in trouble, do not hesitate. Read the advertisement and follow the advice. Do not forget the number or the manner of directing your letters. MEDICAL ADVICE.—DR. WM. K. DOHERTY'S Medical and Surgical Institute is becoming a sine quo non to the welfare of our State and health of our citizens; and his rapidly spreading reputation, although it may excite surprise, is but the signal of skill, and follows as the natural result of such a cause. We are personally acquainted with gentlemen who had suffered for years under chronic disease, and who had taken advantage of every available means that promised relief, but without success, until they called upon Dr. Doherty, who, in an incredibly short space of time, has given them entire relief. It is gratifying to announce this fact, because the Dr. is a gentleman who seeks, not by defamation of others, to establish his reputation or ruin of another's name. The Doctor conducts his own Institute in such a manner must be gratifying to all his patients. He examines, advises, and recommends without charge, and the patient, after hearing his terms for treatment, can accept or reject at pleasure. In no case does the Doctor make a charge unless he effects a cure. This he is able to do, because he feels the confidence which long experience has given, and no doubt the consolation which appertain to that confidence. Persons afflicted with either acute or chronic disease, would do well to consult the Doctor; at all events, it can do no harm, as for consultation he asks no fee; nor does he insist on obedience to his advice unless the patient places himself under his care. His offices are on Sacramento street, opposite the Pacific Mail Steamship office.—NEWS

SPECIAL MEDICAL NOTICE.—DR. CHAS. H. TOZER would most respectfully inform the sick and afflicted that his MEDICAL INSTITUTE is at the same place, corner of Kearny and Jackson streets, San Francisco, where he has been established for many years, for the cure of special complaints. Having relinquished my old modes of advertising, which has become so common with all the Quack Doctors of San Francisco, filling up the newspapers with false references, for the purpose of imposing upon strangers, I think it is only necessary to inform those in need of a Physician of long experience and successful practice, that I can be consulted at all business hours, at my Medical Institute, corner of Kearny and Jackson streets, San Francisco.

Ladies suffering from the Whites, Piles, Weakness of the Back, Pain in the Side, Headache, Palpitation of the Heart, Derangement of their Monthly Sickness, and all other diseases that the Female System is subject to, will find prompt relief by applying to DR. TOZER.

My Female Monthly Pills were never known to fail in giving relief in those cases for which they are recommended. To be obtained only at my office. Price $5 00 with full directions on each Box. Sent by mail or express.

Address CHAS H. TOZER, M. D., San Francisco, Cal., or Lock Box, 1884. Consultation Free. ☞ All communications strictly confidential.

## FRENCH MEDICAL OFFICE.

DR. JULIEN PERRAULT, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

DR. PERRAULT has pleasure to inform patients, and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, North-East corner Montgomery and Sacramento streets, San Francisco. Rooms No. 9, 10, 11, first floor, up stairs entrance either Montgomery or Sacramento streets.

DR. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently indue all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, the Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are Weakened and sleep disturbed by dreams, melancholy, sighing, palpitations, faintings, coughs and slow fever; while some have external rheumatic pain, and numbness of the body. Some of the most common symptons are pimples in the face and aching in different parts of the body. Patients suffering from this disease, should apply immediately to DR. PERRAULT, either in person or by letter, as he will guarantee a cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from venereal diseases in any stage Gonorrhea, Gleet, Strictures, Bubo Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

DR. PERRAULT'S diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under chronic diseases, can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfil our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till worn out and discouraged, to call upon us.

Low charges and quick cures.

Ladies suffering from any complaint incidental to their sex, can consult the doctor, with the assurance of relief.

**Female Monthly Pills.**

DR. PERRAULT is the only agent in California for DR. BIOT'S Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached, and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On the receipt of five dollars, these Pills will be sent by mail or express to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to DR. PERRAULT, corner of Sacramento and Montgomery streets, Rooms, 10 and 11, or Box 973, P. O., San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc., etc.

## DR. CHAS. H. TOZER'S
## PRIVATE MEDICAL INSTITUTE,

N. E. Corner of Kearny and Jackson Streets,
SAN FRANCISCO.

*The Great Eradicator of Special complaints, formerly of Locke Hospital, London, Eight Years in Sacramento, and the last Four Years in San Francisco.*

**DR. TOZER'S**

Experience is of forty year's standing, and during that time he has met with unparalleled success in the treatment of all those diseases generally known as Venereal or Chronic.

It is impossible here to mention all the diseases with which he is familiar; some, perhaps, will not be out of place. The most formidable, the most destructive to mankind is Self-Abuse. The brain being the seat of the disease, the whole system suffers in consequence. I will here enumerate some of the symptoms, so that those afflicted may be able to form an opinion in regard to their complaints and seek advice in time, thereby saving themselves a world of suffering: Nervous Debility, Loss of Memory, Pain in the Limbs and Back, Palpitation of the Heart, Trembling of the limbs, Headache and an aversion to general society, especially that of females. There are a great many more, but these are sufficient, and should you be suffering from any of them, call on Dr. TOZER, and he will cure you in a short time, without any interruption to your business—or state your case by letter, and there will be no occasion for your calling at the office.

**Stricture of the Urethra,**

As another formidable enemy to health. Send for one of my circulars on that disease, and inform yourself of its terrible results. The worst cases cured in a few days.

**Venereal Diseases,**

In all their various forms, either Primary, Secondary or Hereditary, completely eradicated from the system. Your constitution being restored to perfect health, there will be no danger of handing down to your children that terrible disease known as Scrofula.

**Syphilitic Disease,**

As it presents itself on this coast, is of a more formidable character than that seen in the Atlantic States or Europe, arising from the fact of its being a compound of Spanish, Chinese and Sandwich Island disease. Those of you who have visited the two countries no doubt have seen the dreadful effects of it on the native and foreign population. It requires altogether different modes of treatment.

**The Old Formulas**

Of Ricord, Acton and Bostwick, are of little account, except to dry up the disease on the surface, leaving the poison in the blood, which, sooner or later, will show itself as a secondary disease in an aggravated form. These facts I have learned by experience, and think I can say without boasting, that I have seen more practice in these diseases than any other physician in San Francisco, dating, as it does, from 1849. It becomes you, therefore, to think well before you employ a physician. Who is the proper one to consult? An old experienced one, or one who has recently settled among you?

My plan is purely vegetable, destroying the disease and purifying the blood so that there is no danger of secondary symptoms.

**Rheumatism, Neuralgia,**

And diseases arising from the use of Mercury, such as pains in the skin, bones, swellings of the different joints of the body, running sores, etc., and impurities of the blood, cured in a short time by the use of my VEGETABLE MIXTURES, known only to myself.

**Seminal Weakness.**

Should you be afflicted with any of the following symptoms, such as weakness of the Back and Limbs, Pain in the Head, Dimness of Vision, Nervousness and General Debility, Loss of Memory, Confusion of Ideas, and Depression of Spirits, Evil Forebodings, Self-distrust, and an aversion to society, consult DR. TOZER at once, and he will restore you to perfect health.

**To Females.**

When you are afflicted with Weakness of the Back and Limbs, Head, Loss of Muscular Power, Palpitation of the Heart, Irritability, Nervousness, Extreme Urinary Difficulties, Derangement of the Monthly Sickness, Sterility, and other diseases peculiar to females, consult DR. TOZER, and you will receive particular attention. Let no false delicacy prevent you, but apply at once, and save yourself from painful suffering and premature death.

My rooms are so arranged that there is no danger of exposure, and of meeting any one save the Doctor.

My FEMALE MONTHLY PILLS were never known to fail in giving relief in those cases for which they are recommended. To be obtained only at my office.

Price, FIVE DOLLARS—with full directions on each Box. Sent by Mail or Express.

**To Correspondents.**

Patients of either sex, residing in any part of the country, however distant, who may desire the opinion and advice of DR. TOZER, can, by submitting a written statement of their case to the Doctor, receive all the attention and medicines necessary to affect a cure without the necessity of a personal interview.

All letters strictly confidential, opened and replied to by the Doctor himself.

Consultation at the office or by letter, FREE.

Cures in all cases guaranteed

**A Grateful Acknowledgement to Skillful Gentlemen.**

SAN FRANCISCO, June 1, 1865.

*Dr. Chas. H. Tozer:*—Dear Sir: You will excuse me for not writing to you sooner. You will please remember me as the individual who called on you for assistance about a year ago. The roof of my mouth had completely rotted out, and my palate dropped and there remained, stopping up the passage so that I could hardly eat. You remember you cut it out at once, which relieved me immediately, and I was enabled to swallow my food, and in a short time began to improve. I took your medicine, and followed your directions for several months. You finally succeeded in stopping the disease, saving my nose and upper lip, though you frequently cautioned me about losing it. I continued to improve until you finally recommended me to go into the country, and before going, by your advice, I had a cast taken of my mouth, in order that I could have a plate made for me to enable me to speak so as to be understood, and am now using it. My eternal thanks are due to you for the perseverance and skill that you displayed in my case; and I have to thank you for my restored health, and even my life, as I was very near bleeding to death several times from the nose. I am now in Sacramento City, enjoying good health, and I shall recommend all my friends to call on you should they be so unfortunate as to require assistance; and I would advise all persons to avoid certain scientific doctors in your city, for they will send them to a land from whence no traveler returns.

With my best wishes for the success of both of you, I remain, yours, etc., S. S. T.

To Dr. Chas. H. Tozer, San Francisco, Cal.
